

The Office of Pre-Professional Advising assists UConn undergraduate students and alumni in intentionally exploring and pursuing careers in the health professions. While our office specializes in working with pre-medical and pre-dental populations, we encourage all students to explore various health careers with the support of our advising team.

## STEPS TO SUCCESS

### 1 *Subscribe & Follow*

Simply scan the QR code to get added to our email list! You'll learn about important information and upcoming events or opportunities.

Follow us on Instagram [@uconn\\_premed\\_predental](https://www.instagram.com/uconn_premed_predental)

### 2 *Group Advising*

Plan to attend a group advising session as your first point of contact with us. The Fall 2023 schedule will be posted at <https://premed.uconn.edu/events/>

### 3 *Connect*

After attending a group advising session in the fall, we encourage you to meet with one of our advisors or with one of our Health Professions Peer Ambassadors (HPPA) if you have specific questions or concerns. Learn more at <https://premed.uconn.edu/advising-appointments/> and <https://premed.uconn.edu/peer-ambassadors/>

### 4 *Get Involved*

Attend the Fall Involvement Fair to explore the different student organizations and groups related to your interests!

- Popular starting places for pre-health professional students include the Pre-Med Society, Pre-Dental Society, and Pre-Physician Assistant Patient Care Alliance, but there are many, many more.
- Check out a complete listing of activities at <https://uconncontact.uconn.edu/>.
- Community Outreach also offers dozens of volunteering opportunities (<https://communityoutreach.uconn.edu/>).
