

Block Transfer

Policy:

- Students who earn an associate's degree at CT State that has been determined as "Transfer Oriented" by UConn (*website forthcoming for these designations*; Currently approved programs are Liberal Arts & Sciences, Associate of Arts [LASC-AA] and Liberal Arts & Sciences, Associate of Science [LASC-AS]) are able to have University general education (Common Curriculum) requirements waived.
 - Block Transfer does not:
 - Guarantee Admission -- applications are still holistically reviewed for competitive admission.
 - Waive prerequisites
 - Waive School and College degree requirements
 - Waive any other major specific degree requirements.
 - Course by course articulations will still happen
 - Credits are only issued for courses earning a "C" or above.

Procedure:

- Students will have "External Degree" in PeopleSoft entered as "AA (Block Transfer)" or "AS (Block Transfer)" – *note: This will not be available until mid-June (projected)*
- The "Degree status" will show as:
 - "Complete" – if degree has been earned (and we have a final transcript)
 - "In Progress" – if student should earn it, but we do not have a final transcript
 - These students will also have courses IP from the external education as a well.
 - "Discontinued" – if student will not earn the degree.
- The degrees and status will create "Student Groups" by the Registrar's office (similar to bachelor's degree holders) which will be visible on the Advising Report.

Approved Transfer Oriented Programs:

Name	Catalog	Special Considerations	Effective	Approval Expires
<u>Liberal Arts & Sciences, Associate of Arts (LASC-AA)</u>	Catalog Link		08/25/2025	08/24/2028
<u>Liberal Arts & Sciences, Associate of Science (LASC-AS)</u>	Catalog Link	Requires Foreign Language competency check*	08/25/2025	08/24/2028

(continued on next page)

*Students meet the UConn Foreign Language competency through multiple channels including 2 semesters of intermediate level work in College, Language Level 3 in High School, or a seal of Biliteracy from their High School.
