COMPETENCIES

Information Literacy – Each major program has considered the information literacy competencies required of its graduates and built those expectations into the upper-level research and writing requirements in the major.	See Major Advisor
Quantitative (Q) – All students must pass two Q courses, one of which must be from mathematics or statistics; Q courses may be used to satisfy Content Area Requirements.	_____Q _____Q
Environmental (E) – All students must complete an E course; E courses may be used to satisfy Content Area Requirements	_____E
Second Language – A student meets the minimum requirement if admitted to the University with 3 years of a single foreign language in high school, or the equivalent. Otherwise, the student must pass the second semester course in the first year sequence of college level study in a single language.	_____ _____
Writing (W) – All students must take either English 1007, 1010 or 1011. All students must also pass two writing-intensive courses, which may also satisfy Content Area Requirements. One of these courses must be at the 2000-level or above and associated with the student's major. English 1007, 1010 or 1011 is a prerequisite to all writing-intensive courses.	ENGL 1007 or ENGL 1010 or 1011 _____ _____W _____W

NOTES: 1) Courses in content areas I, II, and III must come from **6 different** academic departments/units 2) **One** Content Area IV course may also serve as a Content Area I, II, or III requirement 3) Course numbers in **bold** represent courses in Content Areas I, II, or III that also fulfill a Content Area IV requirement. 4) Course numbers that are underlined represent courses that are cross-listed in more than one department.
